Idaho, Feb. 28—Hun-  
are today digging fran-  
to recover victims of an aval-  
which last night buried many  
at Mace, a hamlet five miles  
from here.

new bodies were extracted this  
morning and others reported sighted.  
nearby fear other landslides.

is built at the bottom of a  
canyon and the slide came  
down while every one slept.

rescues say that fully 150  
bodies are buried under the aval-  
anche.

This number comprises about  
two-thirds of the hamlet and a  
few laborers who were liv-  
ing in a box car and working for  
the Northern Pacific Railroad.

A. Penco, superintendent of the  
mine, together with his  
son, Edgar, and daughter, Inez,  
were buried under the aval-  
anche.

The alarm was given here and re-  
scues with every available man  
were rushed to Mace.

It is reported that many houses  
were buried fifty feet, meaning  
that it will be a week before the com-  
munications are known.

Twentieth Century Limited  
GOES IN THE DITCH.

CLEVELAND, O., Feb. 28—Lake  
train No. 25, the Twentieth  
Century Limited, westbound, was  
derailed while running seventy miles  
from here, at Olmstead Falls, fourteen  
miles west of here, at 2:45 this  
morning.

Seven coaches were derailed. It  
was reported that two passengers  
were slightly hurt. The passengers  
were all transferred to another train  
and continued the trip.

A mailman porter named Cole, and  
an unknown male passenger were in-  
jured, according to late reports.

Railroad men say the wreck was  
caused by a broken engine truck.  
Passengers say it was due to loose  
brakes caused by the rain.

## TENNIS TOURNAMENT WILL COME TO A CLOSE TOMORROW.

GREAT ENTHUSIASM IN EVENT,  
ALTHOUGH NOT A PROFESSION-  
AL TOURNAMENT — THE WIN-  
NERS.

George K. Baker and Miss Fitter  
won the finals and title of the class  
in mixed doubles in the tennis tour-  
nament on the Despland course from  
Mr. Wright and Miss Hutchinson,  
Saturday afternoon. The match was  
cinched in three straight sets, the  
playing of Miss Fitter winning admi-  
ration from a large gallery of spec-  
tators.

Only one match was played during  
Saturday, and that was between Mr.  
Waite and Mr. Wright in men's sin-  
gles, Mr. Waite winning.

The men's singles will be complet-  
ed today and tomorrow and the tour-  
nament brought to close. Several  
close matches are anticipated in the  
singles, Mr. Baker and Mr. Arm-  
strong both being competent contest-  
ants for the title. Mr. Waite is al-  
so considered a factor, his playing of  
a worthy standard.

The remaining matches are, Mr.  
Baker against Mr. Armstrong, the  
winner to play Mr. Hyde, the winner  
of that match to play the winner of  
the match between Mr. Waite and  
Mr. Bush.

So successful has the tournament  
been that it will probably be made  
one of the annual classics of the sea-  
son. While no technical or scienti-  
fic experts of the game were enter-  
ed, yet enthusiasm was aroused to  
a high pitch. The cups for the win-  
ners will be engraved this week and  
the presentation made sometime dur-  
ing the present week.

The summary for Saturday:  
**Mixed Doubles**  
George K. Baker and Miss Fitter  
defeated Mr. Wright and Miss Hutch-  
inson, in finals for the title of the  
class, 6-2; 6-4; 6-0.

**Mens' Singles**  
Mr. Waite defeated Mr. Wright,  
6-4; 6-4.

**MARYLAND AMUSEMENT CO.  
DEPARTED YESTERDAY**

The Maryland Amusement Company  
which has been holding forth on the  
Beach street park, north and south  
of the city hall, for the past two  
weeks, folded its tents and drifted  
on to new pastures yesterday.

The show which was only billed  
for one week, but remained the  
past week because of the bad weather  
encountered the latter part of the  
previous week, met with practically  
the same weather conditions, Friday  
and Saturday nights, being threaten-  
ing with frequent showers, which  
discouraged and drove indoors most  
of the merry-makers.

Had the weather conditions been  
propitious there is no doubt Beach  
street, along the carnival front, would  
have presented a gay scene as  
any time during the carnival's stay,  
for whatever may be advanced in  
disparagement of the street carnival,  
it certainly has an attraction for  
both tourists and residents, as was  
evidenced by the crowds in attend-  
ance every fair evening.

It may not be a very high class  
form of amusement, but it provides  
a certain amount of excitement and  
even the most decorous at times en-  
joy a thorough relaxation from the  
formal rules and regulations of soci-  
ety.

## MANY RIOTS IN PHILADELPHIA OCCURRED DURING LAST NIGHT.

ONE THOUSAND CARS SAID TO  
BE RUNNING TODAY—PREPAR-  
ING FOR GENERAL STRIKE.

PHILADELPHIA, Feb. 28—Today  
1000 cars are running despite pre-  
parations for the general strike.

Many riots occurred during the  
night and many wounded are today  
in the hospitals. The police were  
inadequate to handle the crowds.

Union men are today preparing de-  
mands for presentation to the coun-  
cil's Thursday meeting for arbitra-  
tion. If not successful a general  
strike will be called for Saturday.

Business men and ministers de-  
mand that something be done Thurs-  
day to end the strike. The company  
says the men are bluffing.

## RECEIVED COMMISSIONS; ON THE RETIRED LIST.

Col. C. M. Bingham, Dr. E. L.  
Stewart and Fred J. Caldwell have  
recently received commissions from  
the governor as officers on the re-  
tired list of the Florida State Troops.  
Col. Bingham holds a commission as  
colonel, Dr. Stewart as surgeon, with  
the rank of major, and F. J. Cald-  
well a commission as first lieutenant.

These commissions are signed by  
Governor Albert W. Gilchrist, Adju-  
tant General Clifford R. Foster and  
Secretary of State H. Clay Crawford  
in force until the year 1913.  
During the time for which they are  
issued the holders are subject to  
call for certain prescribed duties for  
the State and only those members  
of the State Troops who have served  
long periods of enlistment are enlist-  
ment are entitled to them.

## W. C. T. U. HELD FRANCES WILLARD MEETING FRIDAY.

The W. C. T. U. held Frances Will-  
ard Memorial meeting at Social  
Hall Friday afternoon. The atten-  
dance was not large owing to several  
other attractions for the afternoon,  
but was quite interesting to those  
present.

President Mrs. A. McF. Porter  
presided. The program opened with  
a solo, "Face to Face," by Mrs. Car-  
rie Lockwood. Mrs. Edwards, ac-  
companied. Interesting papers in  
the life of Miss Willard and the  
early movement of the W. C. T. U.  
were read by Misses Cross and  
Haecker and Mrs. Belisario. A tem-  
perance song, composed by Mrs.  
Lillian C. Keech and set to the  
music of "My Country 'Tis of Thee,"  
and rendered by Mrs. Lockwood  
closed the program.

At the business meeting which  
followed, it was decided that the  
members wear their white badges  
on all occasions, and be subjected to  
fines in failure thereof. Also that  
an effort be made to interest the  
pupils of the public schools in the  
medal contest.

Two minor clashes were reported  
to the police today. A crowd of  
boys stoned a car at Fifty-sixth street  
in West Philadelphia. Policeman  
Conlon was tripped while getting off  
a car and received a fracture of the  
skull. He will recover.

At Forty-fifth street and Lancas-  
ter avenue Policeman Strang fired  
several shots to disperse a mob.

The company advertises today  
that tomorrow will be the last day  
that their offer to take the men back  
to work will be good.

## CHALMERS-DETROIT RACING CAR ON OCEAN BEACH.

HARRY C. ORMSDORFF HERE  
TRYING OUT A CHALMERS 40  
—MAY ENTER RACES.

Harry C. Ormsdorff and J. S. Har-  
rington, who are at the Ormond Ho-  
tel with a Chalmers 40 racing car,  
were in the city Saturday and again  
today with the machine creating a  
good deal of interest and query on  
the street.

Mr. Ormsdorff, who is well known  
here from former visits, is trying  
out this car on the ocean beach in  
preparation for the Eastern track  
races, but may be induced to enter  
the races here next month.

Messrs. Ormsdorff and Harrington  
expect to leave for Washington, D.  
C., next Wednesday.

## ALICE IN WONDERLAND LAST SATURDAY NIGHT.

Alice in Wonderland was present-  
ed at the Opera House Saturday  
night by home talent, and was wit-  
nessed by an audience composed  
largely of parents and friends of  
the children who took part in the  
performance. Another week's prac-  
tice would no doubt have sufficiently  
familiarized the children with their  
parts to have made it one of the most  
beautiful presentations of the sea-  
son. In any event, however, the nat-  
ural grace and attractiveness of  
childhood went far to redeem any  
forgetfulness of parts. The little  
girls were as beautiful as fairies in  
their star-spangled white dresses,  
irrepressible young manhood perform-  
ed like the real animals they repre-  
sented. The speaking parts, which  
were taken by the Daytona Dramatic  
Organization of Amateurs, were car-  
ried out in their usual good style.  
And, taking it all in all, the beau-  
tiful extravaganza furnished a very  
enjoyable evening to the not over-  
exact audience.

## DR. H. W. TRIBBLE AT FIRST BAPTIST CHURCH.

Rev. H. W. Tribble, D. D., Presi-  
dent of Columbia College, Lake City,  
filled an appointment at the First  
Baptist Church Sunday morning and  
evening. Dr. Tribble is a forceful  
and engaging speaker and held the  
close attention of his congregat-  
ion without effort. His theme was  
"The Making of a Man," Eclis. 12th  
chap 9th v. "And furthermore be-  
cause the preacher was wise he still  
taught the people knowledge." He  
started out with saying, "I have  
heard Dr. Leland's splendid lecture  
on 'World Making,' and have read  
Rochester's fine articles in one of  
the leading magazines on 'Money-  
Making,' but the real problem which  
confronts the people of the world to-  
day is 'Man Making.' The speaker  
took character and efficiency as the  
high water marks of Christian citi-  
zenship, and the church, the home  
and the teacher as the character  
molders.

In his introductory remarks Dr.  
Tribble paid glowing tribute to the  
beauty of Daytona. He said, "I have  
never seen anything more beautiful  
in wealth of climate, than you have  
here. You have more wealth of  
soil in Florida than in the gold mines  
of the West."

Dr. Tribble's theme for Sunday  
night was 'The Making of a Chris-  
tian Life.' The anthem by the choir  
Sunday morning, "Rejoice and Be  
Joyful in the Lord," was beautifully  
rendered.
